NEW from Regatta Print

Blade wraps /decals /stickers

- Any design or logo, no matter how complex (even photographic quality graphics);
- More & better color choices;
- Full or partial wrap (even on clear);
- Better blade protection;
- Quick & easy install & removal.

Why wrap instead of paint?

- Some blade designs are simply too complex or difficult to paint;
- Additional color & design choices;
- Better protection for blades;
- Quicker & easier to install than paint; &
- Removable with little to no residue.
